

PRODUCT DESCRIPTION

NOVA MALA: NovaMala is a micro-encapsulated alpha lipoic acid that is free of the typical odor and off-taste of ALA. NovaMala is readily water-soluble under room temperature with pleasant flavor. ALA assists in reduction or elimination of reactive oxygen species.

PRODUCT SPECIFICATIONS

COMPOSITION SPECIFICATION

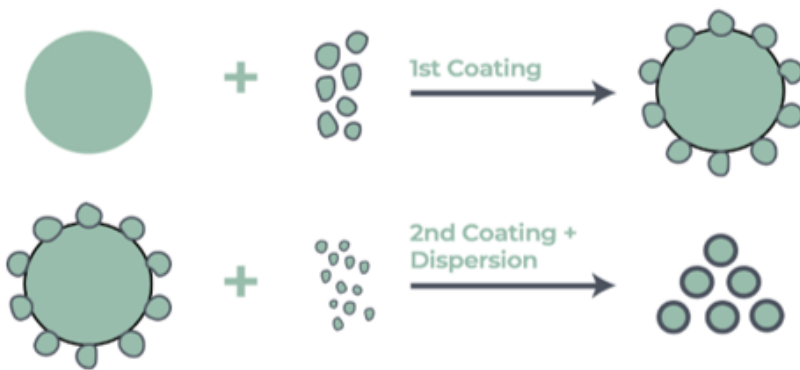

Alpha lipoic acid, cyclodextrin

Alpha lipoic acid 12%±2%
Water solubility (25°C) ≥20%
pH 3.0 – 5.0

APPEARANCE

Creamy/yellowish white fine powder

TECHNOLOGY

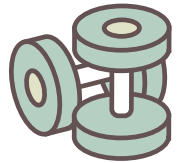

- Micro-sized particles encapsulate unpleasant-tasting compounds, forming a stable shield.
- Nutrients undergo two reformations, turning into micromolecules.
- This method enhances stability, dispersal, and taste of challenging molecules.

APPLICATIONS

Food
supplement

Sport
Nutrition

CERTIFICATIONS

OTHER IMPORTANT INFORMATION

ALLERGENS

No labeling needed under EC law (Allergen Labelling N°1169/2011). Compliant with (EC) N° 828/2014, replacing (EC) N° 41/2009 for gluten-intolerant food.

SAFETY

Food grade, suitable for human consumption.

PACKAGING

Aluminum foil bag; 1kg/bag

STORAGE

Store in tightly closed aluminum bag, protect from sunlight and oxygen. After opening, use up immediately.

SHELF LIFE

At least 24 months after date of manufacture in sealed, original containers under normal storage conditions. Unstable when exposed to oxygen and light, particularly in the presence of oxidizing agents.

MOQ

Please consult with your contact.
